

# 2006 NFHL Draft Lottery

The NFHL 2006 Draft Lottery will occur in June 24th 2006 on the same date as the NHL Entry Draft. Each team has been allocated "lottery numbers" determined by the results of the 2005-06 NFHL Final Standings. The resulting numbers of the 3 digit Nite Daily Number of the Pennsylvania Lottery will determine the winner. The "Draft Lottery" is a weighted lottery meaning teams lower in the standings will have better odds of winning the lottery. Below is the number allocations for each team in the standings. The tie breaker rules were applied for teams tied in the overall standings.
