

2011 NHL PLAYOFF POOL

RULES

The objective of **2011 NHL Playoff Pool** is to accumulate the most points based on the NHL Playoff Pool Scoring System. **Officepools.com** stats website will be utilized with all participants receiving a Pool ID and Password for site access.

TEAM ROSTER

Each roster must consist of 12 Forwards, 6 Defenceman and 2 Goaltending "Teams" for a total of 20 selections.

Skaters/Goaltending Team can be selected from any NHL Playoff Team. There is no restriction on the amount of players to be selected from each conference. No roster changes occur after the playoffs begin.

A short list of players requires Draft Dollars in order to be selected. Each participant will have 15 Draft Dollars in order to select players from the Exception Draft List. Players not identified on the Exception Draft List can be selected without using Draft Dollars.
