NFHL Draft Lottery Information Released

NFHL Details Draft and Compensation Lottery Odds

January 21, 2008: The National Fantasy Hockey League has announced information for the upcoming NFHL Draft Lottery in June 2008. The Lottery will coincide with the NHL Entry Draft on June 20th, 2008. 64 of the 65 teams excluding the NFHL Champion will have an opportunity to win the Draft which will award free entry for the 2008-09 Season. Each team will be allotted a series of three digit numbers depending on the teams finish in the 2007-08 Season. Odds of winning will vary; the last place team will have a 5% chance of winning the pool while the second place team will have 0.1% chance of winning. The winner will be selected using the Pennsylvania 3 digit Daily Number drawn during the evening of June 20th.

For the first time this season the NFHL will also include a Compensation Lottery also determined by the PA Lottery Daily Number draw during mid day. Only the top 16 overall finishers will have an opportunity to be a winner of the \$100 compensation award. Odds will vary depending on the teams overall standings finish with the NFHL Champion having a 10% chance compared to the 16th place finisher having a 2.5% chance.

Detailed information of odds and number allocations for both Lotteries are available on the National Fantasy Hockey Leagues home website the NFHL Network. (Rules & Regulations Section).
